MEDICAL HISTORY

ABOUT DR. DAVID RANKIN-

Cosmetic and reconstructive surgery is where “art” and “science” blend to combine intuition, creativity and artistic sense with extensive surgical training, discipline and medical knowledge.

Dr. Rankin is a Board Certified Plastic and Reconstructive Surgeon specializing in cosmetic surgery and upper extremity surgery. He also has specialized training in reconstructive surgery for birth defects, traumatic injuries and deformities from cancer including microsurgery and breast reconstruction.

Dr. Rankin is committed to fully educating his patients about their individual procedures and will spend the time necessary to discuss all possible techniques and alternatives. His goal is to provide exceptional and natural appearing results on a consistent basis. He is privileged to have a diverse patient base from all parts of the United States and from numerous countries around the world.

In his quest to insure that his patients receive the benefit of the latest technologies and advances in cosmetic and reconstructive surgery, Dr. Rankin routinely attends seminars, training and continuing medical education **courses.**
