FINANCIAL ARRANGEMENTS AND MEDICAL INSURANCE

We are committed to providing you with the best possible care. If you have medical insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your help, and your understanding of our payment policy. We will gladly discuss your proposed treatment and answer any questions relating to your insurance.

We will be happy to help you process your insurance claim. You must realize that:

- 1) Your insurance is a contract between you and the insurance company. We are not party to that contract.
- 2) Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover.
- 3) Our fees are based on the quality of the service provided and generally fall within the acceptable range by most companies, and therefore are covered up to the maximum allowance determined by each carrier. This applies only to companies who pay a percentage (such as 50%, or 80%) of "U.C.R.". "U.C.R." is defined by your insurance company as usual, customary and reasonable fees for this region. Thus most companies consider our fees usual, customary and reasonable. This statement does not apply to companies who reimburse based on an arbitrary "schedule" of fees, which bears no relationship to the current standard and cost of care in this area.

We must emphasize that as medical care providers, our relationship is with you, not your insurance company. While filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date the services are rendered. We do expect you to pay for services that your insurance carrier will not cover.

We do expect to be paid any balance exceeding 45 days of said professional service. We realize that temporary financial problems may affect timely payment of your account. If such problems do arise, please contact us promptly for assistance in the management of your account.

PATIENT PAYMENT RESPONSIBILITY

I have read the "FINANCIAL ARRANGEMENTS AND MEDICAL INSURANCE" form and I understand that all charges incurred are my responsibility whether my insurance company pays or not. I understand that I am responsible to meet my insurance deductible in addition to payment for any services or treatment not covered by my insurance carrier.

Aqua Plastic surgery has offered to file the necessary insurance forms with my primary carrier at no charge, for my convenience. I hereby agree that I will pay promptly to *Aqua Plastic surgery* any amount outstanding on my account after crediting by *Aqua Plastic surgery* of any and all payments when directly from any insurance carrier for the serviced performed. I will immediately (no later than 5 days after receipt) pay over such payments to *Aqua Plastic surgery*.

In the event that my insurance carrier refuses to make payments against my claim for services rendered by *Aqua Plastic surgery*, for any reason, I accept responsibility for prompt payment for any treatments and services I have received through *Aqua Plastic surgery*.

If for any reason an account balance is outstanding for six months, your account will be sent to collections. Once your account has been turned over to collections, your account will be listed at the credit bureau and no follow-up visits will be made for you until your account is paid in full.

All returned checks are subject to an additional fee of \$25.00 per check.
